Today was the laziest day so far. A good sleep in, the headed straight for the Saint Barbara “Demitris” Restaurant, that also has a beach bar attached.

I spent 2 to 3 hours updating the blog and checking through emails, which proved to be very thirsty work ;-). The girls met a new friend, Breeze, whose parents were from Birmingham, we overlooked that a shared a few drinks together, it's likely that we'll meet up again at the Water Park on Wednesday.

We had a nice lunch, I tried what must be the Cypriot version of spaghetti bolognaise , tasted great but was really just mince with herbs, very pale in colour and not hint of tomatoes.

The afternoon was spent lazing by the beach with lots to drink. Did not leave until late and was glad home was not more than a few hundred meters away!
